Subject.

Travelling allowance bills of Med^l Officers and subordinates.

Senior Surgeon's letter No 9,810 dated the 18th August 1903.

Note.

In the above the Offg Senior Surgeon brings to notice that the travelling allowance of medical Officers for journeys performed by them on plague and medical duty is at present being met from the Medical Budget and that ever since the out-break of Plague in the State, the limited provision made in the Medical Budget under travelling allowance to Officers and estt has been exceeded on account of the insertion of items for Plague journey in the travelling allowance bills for journeys made on medical duty, the rate of mileage for Plague journey being higher, and states that in his opinion the travelling allowance for the journeys undertaken for Plague work

is a proper charge on the Plague Budget, and requests ~~[illegible]~~ sanction thereto. The Offg Senior Surgeon addressed the Comptroller on the subject, but was informed by that Officer that under article 824 of the Civil Account Code, Vol II, travelling allowance should be charged to the same head to which pay is charged, and that a departure from this rule should receive the sanction of Govt.

In his ~~recent~~ letter, the Offg Senior Surgeon states that if Govt are of the same opinion as the Comptroller, he may be permitted to submit a supplemental Budget for the increased amount required during the current year for the expenditure ~~that~~ already incurred during the past year.

~~It is difficult to see that~~

Plague work alone is now in addition the Compt's work; and is right. If necessary, a supplemental budget may be submitted after the proposals is nearly worked up. Draft submitted

Note Contd

In Govt order No G 1452-3 dated the 11th September 1903, the Senior Surgeon was informed that, as expressed by the Comptroller, the travelling allowce of the Medical Officers &c should be debited to the same head to which their pay was charged, and that if the provision made in the Budget was found insufficient, he might submit a supplemental Budget for the orders of Govt.

The Offg Comptroller appears to have sent to the Senior Surgeon a copy of his letter No 90 dated the 16th May, 1904, to Govt (which was received in the Rev Deptt and is put up herewith) about the travelling allowce passed to the Hospl Apptts having exceeded the provision made for it in the Current year's Medical Budget. With refce to the copy of the letter received from the Comptr the Offg Senior Surgeon has, in his letter of the 21st May, 1904, requested that Officers to supply him with a statement

statement showing the amount of the travelling allowance passed in the Comptroller's Office for Med. Officers & subordinates upto 30th April 1904, in order to enable him to submit a reappropriation statement or to apply for an add. Grant as per Govt. order of the 11th Sepbr. 1903 above referred to.

In his present letter, the Offg Senior Surgeon reports the above with a copy of his letter to the Offg Comptr. of the 21st May, 1904, and states that either a reappropriation statement or a suppl Budget will be subd for orders.

A Copy of the Senior Surgeon's letter may, if approved, be sent to the Offg Comptr. with reference to his Corr mr. to Govt. No 2909 of 16-5-04, & he may be asked to supply the info required by the Offg Senior Surgeon.

No. G. 8

Sir,

In forwarding the marginally noted copies of correspon-dence,regarding the submission of 2 separate bills for each month by Medical Officers and Subordinates,one for purely Medical duty and the other for Plague duty,so that they may be debited to their respective funds,I have the honor to bring to the notice of Government,that ever since the out break of Plague in the Province,the limited provision made in the Medical Budget under Travelling allowance to Officers and Establishment has been exceeded,on account of the insertion of items for Plague journey in the Travelling allowance bills for journeys made on Medical duty,for which higher rate of mileage has naturally to be passed to the Subordinates, & the Cartmen totally refuse to go to infected places at ordinary rates.

2. The reappropriation statements under this and certain other items are pending disposal for want of provision in the

sanctioned budget and the savings if any having been elapsed to Government, before the reappropriation could be disposed of.

3. As the Government sanction every year, some funds for Plague work separately, and the journeys undertaken for such duty is, in my opinion, a proper charge to be debited to Plague funds, I request that early orders may be kindly passed on the matter, as the bills for combined journeys, (Medical and Plague) are kept in abeyance from the beginning of the current official year, pending final orders of Government.

4. If Government are of the same opinion as the Comptroller, I may be permitted to submit a supplemental budget, making provision for the increase required during the current year, and to meet the expenditure already incurred during the past years, for which reappropriation statements are pending disposal.

5. Favor of very early orders of Government being obtained, is requested.

I have the honor to be,

Sir,

Your most obedient servant,
